

SMAA's SHIP Counselors Provide Personalized Medicare Guidance

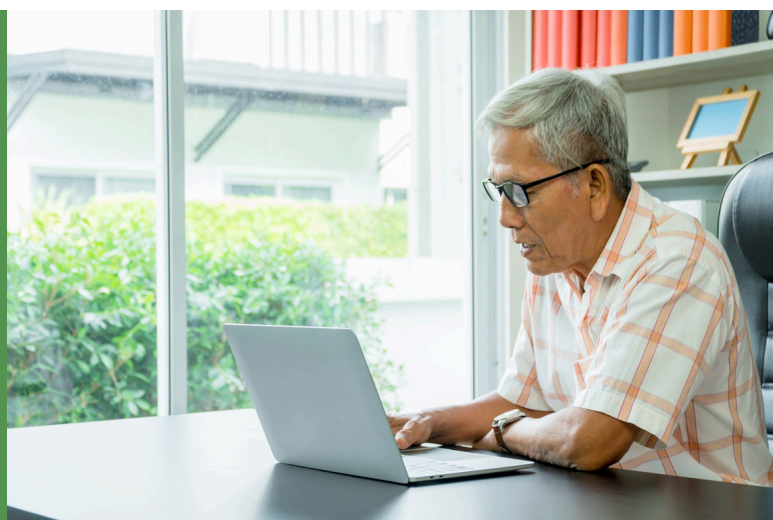

Need help navigating the complexities of Medicare? *We can help!*

SMAA's certified SHIP counselors provide free, expert advice on selecting the right plans, understanding benefits, and maximizing coverage. Clients receive unbiased assistance with enrolling in Medicare, comparing plan options, and resolving issues related to claims and coverage.

Whether you're new to Medicare or seeking to make changes during enrollment periods, SHIP counselors ensure you make informed decisions to optimize your healthcare and financial well-being.

Please call SMAA at 207-396-6524 or visit our website at smaa.org to make an in-person or virtual appointment.

In-person appointments are now available at the Cornish Town Hall! Please call 207-396-6524 to schedule a 1:1 counseling appointment.
